Supply of Saxon Armoured Personnel Carriers to Ukraine

Dear Sir

We have been instructed to accept your offer of £2,075,000 (Two Million and Seventy Five Thousand Pounds Sterling) for 75 units of the Saxon Armoured Personnel Carriers.

The offer is accepted, subject to the issuance of an Export Licence from the British Government, subject to contract and receipt of a deposit.

Please find attached by email, a draft contract for the supply of the goods.

Please review the attached and revert to me with any queries. As soon as contracts are agreed and a deposit is received, we will be able to remove the vehicles from sale and issue a template end user undertaking for your completion.

If I can be of any further assistance in the meantime, please don't hesitate to contact me,

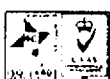

Kind regards,

Yours Sincerely,

David Gelley.
